#### Dear Mr. August,

It was brought to our attention that the Highlands Council is allowing municipalities to request a redistribution of funds already allocated to various tasks. We fully understand that the tasks are not to be altered but upon consultation with our professionals and the expertise of the Highlands Council we believe that some of the monies allocated to specific tasks need to be reallocated.

It is our belief that our project components should be as follows:

Task 1	Fair Share Plan	\$ 5,000
Task 2	Highlands ERI	\$ 2,000
Task 3	Highlands Element	\$10,000
Task 4	Land Use Inventory	\$ 5,000
Task 4b	Ag Retention/farmland Pres. Plan	\$15,000
Task 5	Highlands Land Use Ordinance	\$13,000
Task 6	Planning Area Petition Ordinance	\$ O
Task 7	Checklist Ordinance	\$ O
Task 8	Water Use & Management Plan	\$80,000
Task 9	Habitat Cons & Management Plan	\$10,000
Task10	Stream Corridor Protection & Restoration Plan	\$25,000
Task 11	Municipal Zoning Map update	\$ 5,000
Task 12	Cluster Development Feasibility. Analysis	\$ 2,500
Task 13	Wastewater Management Plan	\$ 3,000
Task 14	Highlands Council Training	\$ 2,500
Task?	Redevelopment & Brownfield Opportunities	\$10,000

Holland Township has completed Tasks 6 (Planning Area Petition Ordinance) and Task 7 (checklist Ordinance). We have submitted the invoices for those tasks and the Highlands Council has reimbursed Holland Township.

Holland Township has done work towards Task 13 (Wastewater Management Plan) and under the advice of the Highlands Council has not submitted invoices against that task as work is still in progress. It is our understanding that the Highlands Council has received comments from the DEP regarding our plan and we are awaiting the comments from the Highlands Council so as to finish this task and submit billing for payment from the Grant.

It was brought to our attention that Holland Township may submit to the Highlands Council invoices against Task 3 (Highlands Element) that related to the re-examination report of the Master Plan. At this time we are submitting invoices from our Planner, Group Melvin Design and for the advertising of the required Public Hearing. We are requesting that a total of \$3,941.41 be reimbursed from the Grant.

The itemized invoices are as follows:

Group Melvin Design	Invoice 11177	\$ 750.00
Group Melvin Design	Invoice 11247	\$1,912.50
Group Melvin Design	Invoice 11259	\$1,237.50
NJN Publishing	Invoice S2557498000	\$ 41.41

Our request to increase Task 3 Highlands Element/Master Plan to \$10,000.00 would mean that these invoices would be applied against that task thus reducing the \$10,000.00 by \$3,941.41 and would leave \$6,058.59 in the account once Holland Township has been reimbursed.

It should also be noted that we propose to add the Task regarding Redevelopment and Brownfield Opportunities. This project was identified in correspondence dated August 17, 2011 identified as the Township of Holland, Hunterdon County Highlands Implementation Plan and Schedule and it is the belief of those involved that this is something that Holland Township is interested in identifying. It has been discussed that Task 3 Highlands Element/Master Plan would reference the task Redevelopment and Brownfield Opportunities (keep in mind that Holland Township has two identified mills in the Township).

All parties involved have created an aggressive timeline to start working on and satisfying the Tasks. At this time, we await your favorable responses to our reallocation of Grant Funds as presented at this time. We do understand that if there is a need at a future date to revisit the redistribution of funds that we would be writing another proposal for your review.

Please feel free to contact us if you need further information or explanation. Our Secretary Maria Elena Jennette Kozak has been working with our Finance Officer and Grant Coordinator as well as with the Holland Township Highlands Council Sub-Committee, our professionals and your staff. Please feel free to reach Ms. Kozak at 908-995-0057.
